In the G.O.Cited sanction was accorded to the re-employment of Sri K.Ramaswami Iyer, Retired draughtsman, District Forest office, Kollegal division in the same post in Salem South division for a period of one year from the date of appointment. He joined duty on 26-4-52 afternoon and the period of one year expires on 26-4-53. He is aged only 57 years.

2. The proposal that a general sanction be accorded

-2-

for the re-employment of retired draughtsman in the Forest Department was negatived in G.O.MS.No.1497 Development dated 7-4-52. But Government directed that specific proposals in each individual case of re-employment may be submitted subject to the condition the age limit of sixty years is not exceeded. The dearth ø for qualified candidates to fill vacancies in the posts of draughtsmen still continues. I therefore request that Government may be pleased to sanction the extension of re-employment of Sri K.Ramaswami Iyer for a further period of one year from 27-4-53.

Please see the letter from the Chief Conservator of Forests at page 1-2 C.F. He has requested that the period of re-employment of Sri K.Ramaswamy Iyer, Retired Draftsman, District Forest Office, Kollegal Division may be extended for a further period of one year from 24-4-53. The date on which the present sanction expires. Development evidently support the proposal.

In G.O. No.259, Finance, dated 23-2-1953, the Government have decided to permit re-employment of retired persons in the category of draftsman and tracers in P.W.D., Highways and Electricity Departments only, upto 31-12-1953. In G.O. No.1497, Development, dated 7-4-1952, the Government have ordered that the Chief Conservator of Forests may come up to the Government with specific proposals in each individual case of re-employment of a retired draftsman. In view of the orders issued in G.O.No.1497, Development, dated 7-4-1952, and in view of the dearth of qualified draftsmen, the proposal of the Chief Conservator of Forests may be agreed to. The present age of the draftsman is 57.

The case relates to the proposal of the Chief Conservator of Forests for the continuance of the re-employment of Sri K.Ramaswamy Iyer, Retired Draftsman, District Forest Office, Kollegal, for a further period of one year from 27-4-1953. The present sanction ~~ex~~ has expired on 26-4-1953

In G.O. No.259, Finance, dated 23-2-1953, the Government have decided to permit re-employment of retired persons in the category of draftsman and tracers in P.W.D. Highways and Electricity Departments only upto 31-12-1953. In G.O. No.1497, Development, dated 7-4-1952, the Government have ordered that the Chief Conservator of Forests may come up to the Government with specific proposals in each individual case of re-employment of retired draftsman. In view of these orders and in view of the dearth of qualified draftsmen, the proposal of the Chief Engineer may be agreed to. Development and Public have agreed to the proposal. The present age of the draftsman is 57.

In his reference No.6520/53-D2, dated 22-4-1953, the Chief Conservator of Forests has stated that he is permitting the District Forest Officer to retain the re-employed draftsman in service beyond 27-4-1953 in anticipation of sanction of Government, and that his action may be approved. This may be accepted. A draft order is submitted. The file may be circulated to the Minister for Finance and the Minister for Agriculture, for approval.

In letter 1952, the C.C. of Forests submitted to the Govt. proposals for revision of the scales of pay of Draughtsmen in the Forest dept; and in furtherance of the proposals, he said that more than half of the posts of Draughtsmen were held either by ungualified men or re-employed persons, and that it had not been possible to get qualified men either through the Employment Exchange or by advertisement. The CC's proposals for revision of the scales of pay were deferred.

P.T.C.F.A.(C)

this proposal (made last year) that general sanction might be accorded for the re-employment of retired draughtsmen in the Forest Dept. was turned down. We were then informed that he might come up to the Govt. with proposals for re-employment in individual cases where such a course was considered essential.

In the circumstances stated above, the proposal for the continuance of re-employment of a retired draughtsman in Salem South Div. may be agreed to and the draft order may be approved
